DisneyLand and Beyond Part One The Plane Trip:

Ash:Misty! What's that pounding and sawing noise.

Misty:I think it's coming from Brock.

Brock:I know nothing about it!

Ash:Misty, where are you hiding.

Misty:I'm in this bag of dirty underpants.

Ash:Well I'm in a suitcase with the initials ME. Must mean me.

Misty:I CAN'T TAKE IT ANYMORE! IT STINKS IN HERE!

Misty pops out of a bag of used underpants.

Ash:Well I think we've been hiding enough, lets get out.

Speaker:This is the captain speaking we've climbed to 50,000 feet.

Misty:I think we better stay in the cargo hold for now,

Ash:Yes. But we better find Brock.

They search all of the bags until they come to a crappily assembled outhouse.

They open the door.

Brock:AHHHH! SOMEONE'S IN HERE!!!

Ash and Misty find Brock reading a magazine and sitting on a box labeled POT.

Ass:What the hell are you doing in there!

Misty:Why are you in an outhouse?

Brock:Well I really had to go and I was stowed away in an Easy-to-Assemble Outhouse kit. So I put the two and two together and I got 5.

Ash:You didn't really...go...y'know.

Brock:I was trying until you came in. I have a slight constipation now.

Speaker:This is your captain. We are being attacked by a Russian Havoc helicopter they are warning uus to be prepared. We are being boarderd. Mr. Eisner get down.

Bullets ricochet in the cargo hold.

Brock:OW! That one hit me in the butt! Oh, now I really got to go!

Terrorist on speaker:We have taken control of you ship.

The screen pauses. PeeWee Herman steps onto screen.

PeeWee:Hello kids. HAA HAA! The good people of WNCB have allowed me to tell you that this is known as a POOP. Or a Plane Out Of Point. Or when terrorists knock a ship out of patrolled airspace and take control. HAA HAA! I hope you have learned something.

Screen starts.

Terrorist:I heard a voice down here.

PeeWee(quietly)Uh-oh, I better be quiet...*Loudly*HAA HAA! *Quietly*Oops.

Terrorist:There you are. You're going out the door.

He shoves Peewee out the door.

PeeWee:HAA HAA! I always bring a parachute! HAA HAA!

In midair a man in a suit drops next to him.

Man:Sorry, we had to hock your parachute because the show isn't making as much money as it did in the late '80s.

PeeWee:HAA H-uh? But you have a parachute let me grab onto you.

Man:No this is mine.

The man's parachut deploys and PeeWee falls.

PeeWee:AAHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHhhhhhhhhHhhhhHHhhH!

Ash:We don't want to suffer the same fate as PeeWee so lets sneak into the cabin.

They sneak into the cabin.

Ash:Ooh, plush carpeting. This must be a private jet.

Brock:I don't care! My butt really hurts!

Misty:Shut Up the both of you!

Terrorist:Gimme all your money

Misty:That must be ME, Mike Eiseeneer.

ME:You'll hear from my lawyer!

Ash:We have to save him.

Misty:But with what.

Ash:Butt is right. I have an Ass grenade!

Ash pulls out a butt figure from his shirt.

He pulls the cord and throws it at the terrorist.

When it hits him it makes a large farting sound and green gas spreads.

Terrorist:Who threw that!!!

A second terrorist comes up behind Ash and Misty and grabs them.

Terrorist:Ah! It was you two!

Ash:Two! Where's Brock?

Brock:is this the bathroom?

He pulls on a door labeled Emergency exit.

ME:No you'll suck all the air out of the cabin.

Brock opens it and it sucks all the terrorists out.

Ash closes the door.

Ash:We saved you balding man.

ME:WHEW! You saved my life!

Misty:It was nothing.

Ash:Give us something!

ME:Well I have a free pass to DisneyLand.

Ash:Woo! Hoo! We're going to DisenyLand.

Misty:But there are three of us.

Ash:Too bad!

Captain:We'll be landing at LAX soon. You should be able to catch a shuttle to DisneyLand from there.

Ash:Well she weighed 13 pounds at birth.

Ash pinches her cheeks.

Ash:She just loves her plush starfish toy.

Ash pulls on Brocks hair.

Ash goes through the gate and proceeds towards mainstreet.

They go towards a large screen, a new attraction called Largo View.

Ash:The coast is clear. Come out.

What they were doing boomed on the speakers and showed on the screen.

Misty:Good, nobody saw us.

Two guards grab Brock and Misty.

Ash:Oh my God! They snuck in in my stroller! What did you do to my baby!

Ash starts shaking Brock.

Brock:Ash stop shaking so hard I still have to go!

The guards drag them away.

Guard:You wil be thrown in the brig.

Misty:I thought those were in ships?

He throws them into the pirate ship in the Pirates of the Carribean.

Misty:Oh.

Ash walks into the line for the Tiki garden.

After awhile Ash finally gets into the room.

Ash:Call off your demon birds!

The birds keep playing his head like a drum.

Misty:So...Team Rocket...You have an escape plan?

Misty goes over to Brock and pulls on his hair.

Brock:OwOwOwOwOwOw! It's real!

Misty:When I said wig I meant underpants.

Misty gives them the tic tacs and the underpants.

Brock checks his pants.

Brock:Where'd you get those?

Meowth:The plan is as follows...We plan to go through that door over there...

Misty:That's you plan?! I want my tic tacs back!

Brock:What about my pants?

A cast member escorts everyone off the ride.

Team Rocket climbs to the top of the Matterhorn.

Meowth:You mean this refridgerator magnet/

Meowth holds up a magnet that says welcome to hawaii.

They walk into the Fart Food Store.

Ash:Eew! It smells like fart in here.

They look at Brock.

Brock:Don't look at me! I haven't been here before.

About twenty fat butted people ate food and farted in synch.

They get on the submarine.

Ash:I hope this is nothing like a ship that will remain nameless, because when ever some one mentions the name I wet my pants because of my traumatic time on the ship.

Misty:You mean the SS ANNE!!!!!!!!!!

Ash:Look what you made me do!

A large puddle forms around Ash's feet.

Brock farts loudly.

Ash:Nonsense.

Ash starts pressing buttons.

Fireworks sparkle.

Ash:Ooh! Finale button!

He presses it and the panel blows up.

Guards appear behind them.

The guards grab them and eject them from the park.
